

APHRODITE'S DAILY CLEANER CONCENTRATE

NEUTRAL CLEANER FOR DAILY MAINTENANCE OF CEMENT TILES

Aphrodite's Daily Cleaner is a concentrated, neutral detergent specially formulated for daily cleaning and maintenance of cement tiles and other delicate surfaces. This cleaner gently removes dirt and grime without altering the natural look of the material. With a mild pH, Aphrodite's Daily Cleaner ensures effective cleaning while preserving the original finish of surfaces

TYPICAL APPLICATIONS

Aphrodite's Daily Cleaner is suitable for daily maintenance of cement tiles and other delicate surfaces, effectively removing dirt, dust, and other residues.

BENEFITS

- Gentle Cleaning: Effectively cleans without altering the natural look of surfaces.
- Neutral pH: Safe for regular use without damaging cement tiles.
- Environmentally Friendly: Reduces environmental impact with biodegradable components.

CONTAINER SIZE

32 fl. oz. (950 mL)

HOW TO USE

Begin by sweeping or vacuuming the surface to remove loose dirt and debris. Conduct a preliminary test on an inconspicuous area to ensure compatibility.

Dilute Aphrodite's Daily Cleaner Concentrate in clean water according to the surface type for optimal results:

- For compact, low-absorbent surfaces: Use 1-2 capfuls per 5 liters of water.
- For porous, highly absorbent surfaces: Use 3-4 capfuls per 5 liters of water.

Apply the solution evenly with a cloth or mop, ensuring full coverage. No rinsing is required, leaving surfaces clean and fresh-smelling. For ongoing cleanliness, use Aphrodite's Daily Cleaner daily. Clean all tools and equipment with water immediately after use.

NOTE: Aphrodite's Daily Cleaner is designed for routine maintenance but does not protect against future staining. Clean up spills promptly to maintain an immaculate surface.

PRECAUTIONS

Ensure the area is well-ventilated during use. Use proper personal protective equipment (PPE), including gloves and eye protection. Use suitable tools, such as mops, cloths, or sponges, to apply Aphrodite's Daily Cleaner safely. Avoid release to the environment. Prevent the cleaner from entering drains or waterways. Dispose of product waste and container according to local regulations.

CAUTION

Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Avoid breathing dust, fumes, gas, mist, vapors, or spray. Use in a well-ventilated area. Use non-sparking tools. Wear protective gloves, eye protection, and face protection. Ground and bond container and receiving equipment. Take precautionary measures against static discharge. Use explosion-proof electrical, ventilating, and lighting equipment. Wash hands and face thoroughly after handling.

FIRST AID

IF IN EYES, remove contact lenses if easy to do so and rinse immediately with plenty of fresh water for at least 15 minutes, keeping eyelids fully open. Seek immediate medical attention. IF IN CONTACT WITH SKIN, remove contaminated clothing and footwear. Wash thoroughly with running water and soap if available. Seek medical advice and avoid re-contact with contaminated clothing. IF INGESTED, do NOT induce vomiting unless explicitly advised by a medical professional. Do not give anything by mouth to an unconscious person and seek immediate medical attention. IF INHALED, move the individual to fresh air and ensure they are comfortable for breathing. If respiratory symptoms persist, keep the person warm and comfortable. Administer oxygen if necessary, and if the person stops breathing, provide artificial respiration. Seek medical attention promptly.

STORAGE

Store in the original, sealed container in a cool, well-ventilated area, away from direct sunlight. Keep away from heat sources, open flames, sparks, and other ignition points.
